

This is where I go inside

## Today I'm going to Cellar 426!

- I will get to listen to music
- There will be space for me to run around
- There will be food, snacks, and drinks if I need them

or

here  
(women/girls)

**This is where  
musicians will play!**

## Going Outside!

To get outside, go to the deck. If it's nice out, there may be a lot of people here.

I can go down these stairs to be closer to the musicians, or to have more space on the lawn.

Now I can see  
the musicians  
up close!

If I want, I can  
put a blanket  
down or sit in  
lawn chairs on  
the grass.
